

CHAPTER 25  
CITY OF MAPLE LAKE

**ORDINANCE TO ESTABLISH MINIMUM PLUMBING STANDARDS**

25.01 **LICENSE REQUIRED**

No person, firm or corporation shall engage in or work at the business of a master plumber or journeyman plumber within the City of Maple Lake unless performed by or under the supervision of a person licensed to do so by the State Board of Health. No person, firm or corporation shall engage in the business of installing plumbing in connection with the dealing and selling of plumbing material and supplies unless at all times a licensed plumber, who shall be responsible for proper installation, is in charge of the plumbing work of such person, firm, or corporation.

25.02 **PERMITS REQUIRED**

It shall be unlawful to construct, install, alter or repair any plumbing, drain, vent, sump, water closet, sink, lavatory or any other plumbing fixture within the City of Maple Lake, Minnesota, without first obtaining a permit from the city clerk to do such work. Fee for such permit shall be established by resolution of the city council. Application for such permit shall be made at the city office on forms supplied by the city and accompanied by the established fee. Provided, however, that no permit shall be required in case of repairs not affecting sanitation such as mending of leaks in faucets, valves or water supply pipes, mending of broken fixtures, tanks, releasing frozen pipes or rodding and flushing of any house sewer or drain.

25.03 **PENALTY**

Any person or firm violating any provisions of this ordinance shall be guilty of a misdemeanor.
