National Public Works Week May 17-23

The City of Maple Lake joins hundreds of towns this week in marking the 55th annual **NATIONAL PUBLIC WORKS WEEK**. There would be no community without the quality of life public works provides. There would be no community to police and protect, no public to lead or represent. Public works allows the world as we know it to be. Join us in thanking **Jerry, Al, Kenny and Andrew** for keeping our town safe and clean.
