On Tuesday, August 6 Maple Lake, along with over 15,000 communities nationwide will be out celebrating National Night Out. The Maple Lake Volunteer Fire Department will be making the rounds handing out **free ice cream to all residents**. You are invited to host a block party in your own neighborhood that evening. These parties are a great way to get to know your neighbors, have fun and even receive a visit by the Maple Lake Fire personnel!

## Lawn Maintenance

The City of Maple Lake ordinance code limits the height of weeds and grasses to a maximum of eight inches. It also enforces the state noxious weed ordinance. Enforcement is done on a routine checking basis or in response to a complaint.

Following the receipt of a complaint, an inspection is made to determine if the vegetation is in excess of the eight inches or is on the state noxious weed list. If so, a notice of violation is sent to the recorded property owner. If the weeds or grasses are not cut after ten days, the City of Maple Lake or a contractor hired by the City is authorized to cut the vegetation. The property is then billed at a rate of \$100 per hour.

Fire hydrant clearance: Residents are reminded to maintain a 5' clear area around fire hydrants to permit timely access during an emergency and for routine maintenance.

## Movie on Birch

Featuring

**Ralph Breaks the Internet**

Sponsored by Rhino Manufacturing

**Saturday July 27th**  
**At dusk**

Bring a blanket or chairs, some bug spray and join us downtown at dusk for a movie on the monster screen. There will be food, beverages and prize drawings!
